iCare:
Helping you
create the best
program
possible

THE PRESENTER

CYNTHIA PARKER

In this session we will discuss how iCare offers tailored solutions that:

-  Empower administrators
-  Support teachers
-  Provide families and caregivers ease of mind

What is most important to you in a childcare management software system?

What is missing in your current system?

I have been:

- **The Parent**
- **The Teacher**
- **The Director**

Consider the scenario...

Information at your fingertips

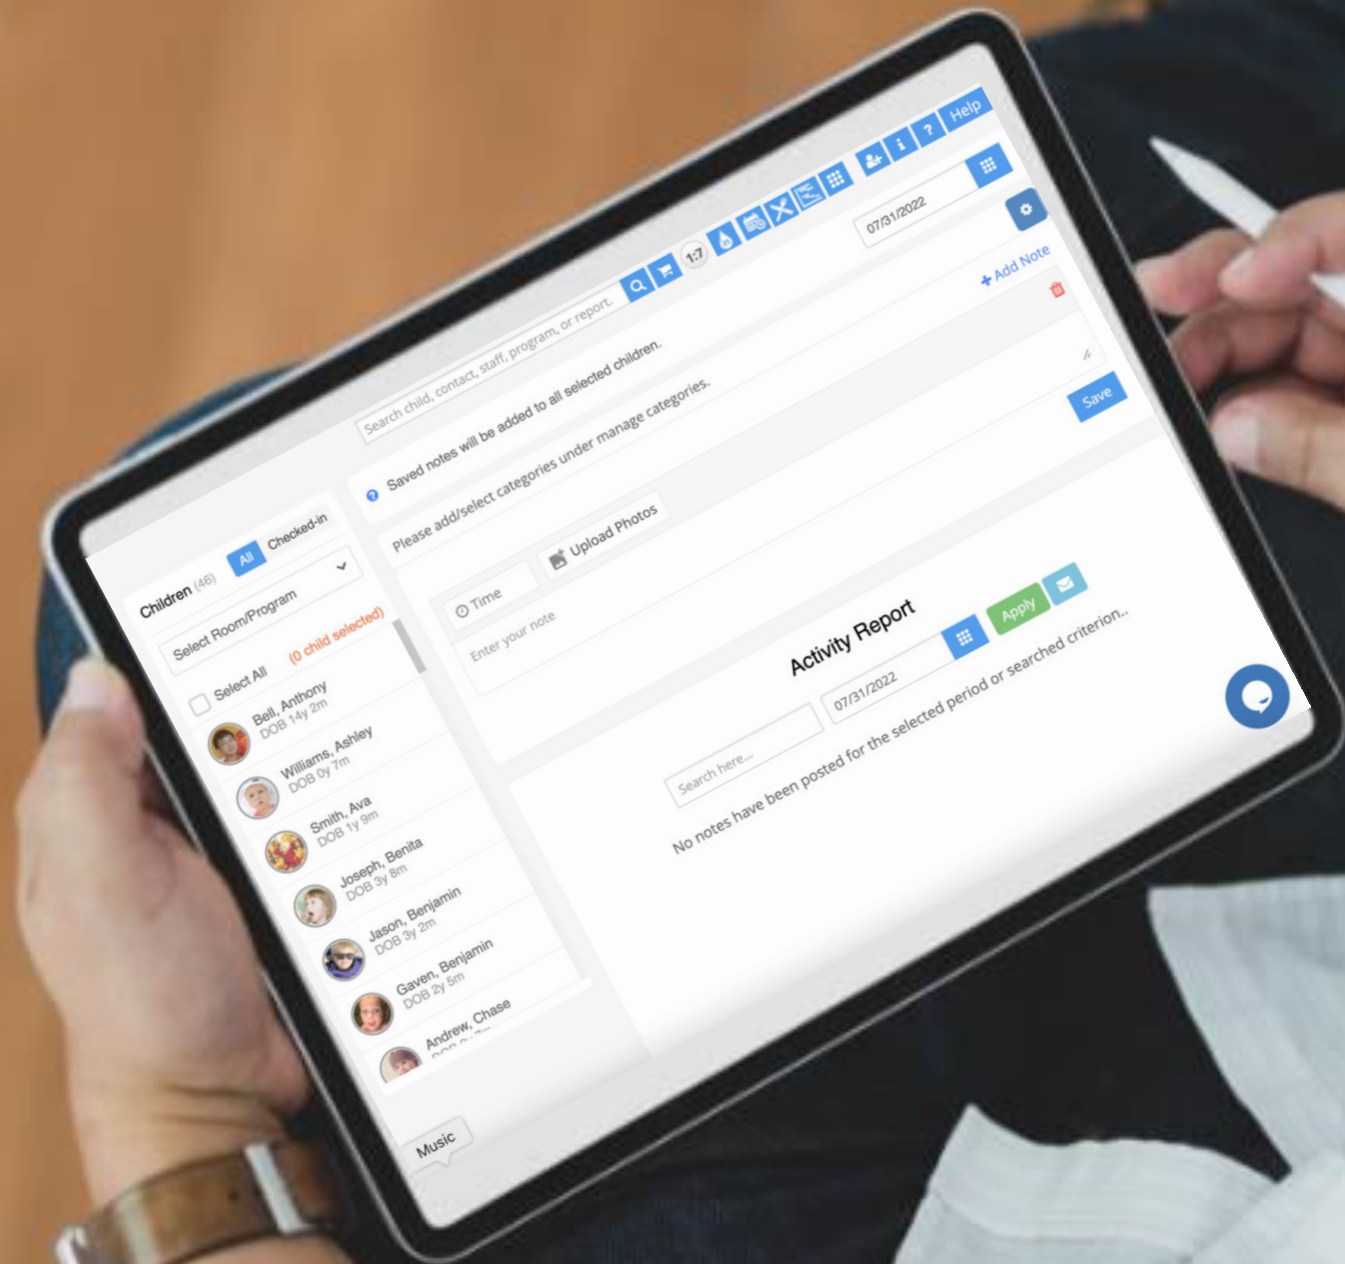

What makes iCare great?

- Well built software
- Tailored to your needs
- Live support

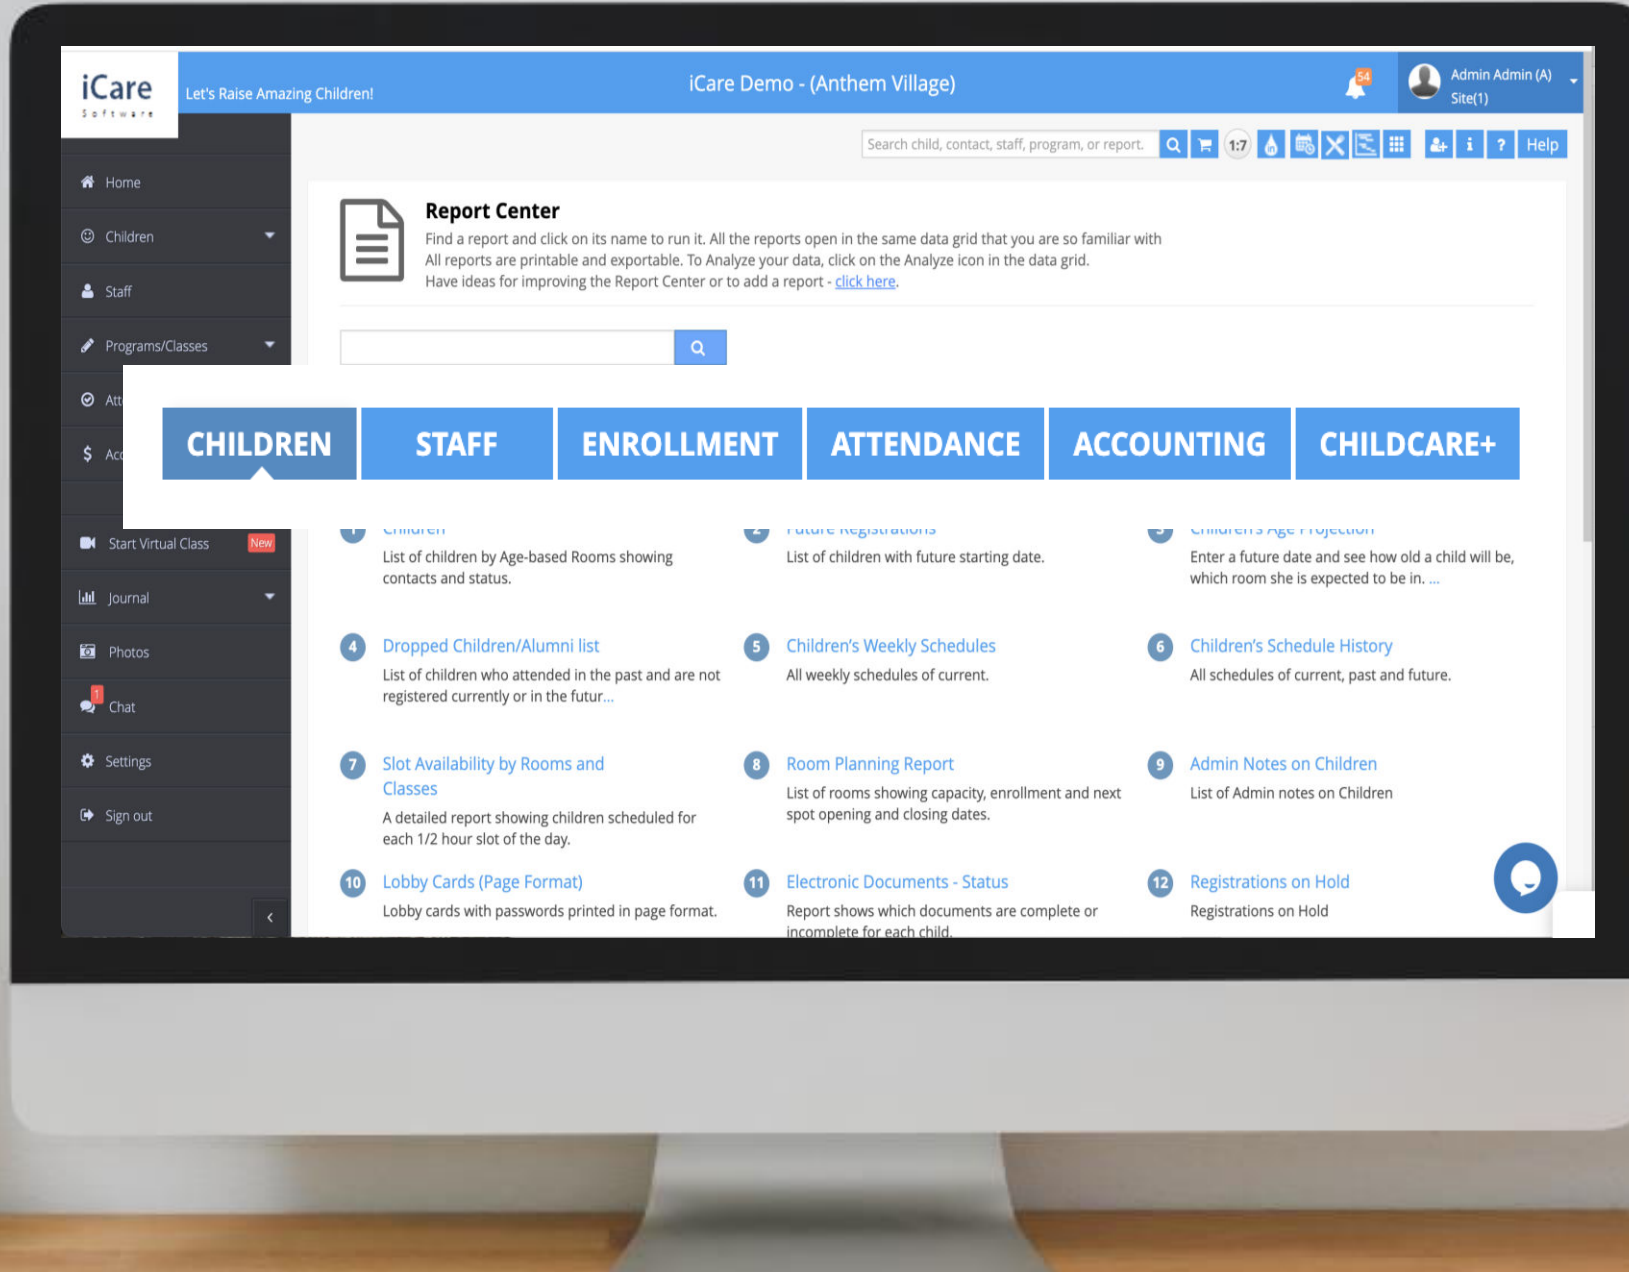

Let's see how
iCare can support
your program

As an Administrator

- Is catching up to parents for late payments exhausting?
- Does scheduling staff take forever?
- Do you know what is impacting your bottom line the most?
- Does communicating take too much time?
- Is paperwork an endless chore?
